

## Origami Rabbit

This cute, origami rabbit is perfect for Easter! Suitable for beginners.

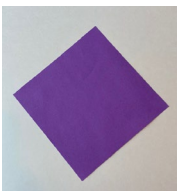

### Materials

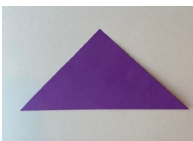

15 x 15 cm (6" x 6") paper, in your choice of colour  
A thin, black marker  
Assorted coloured markers

### Method

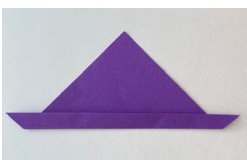

1. Start with a square sheet of paper. Place your sheet of paper on a flat surface, positioned in a diamond shape.

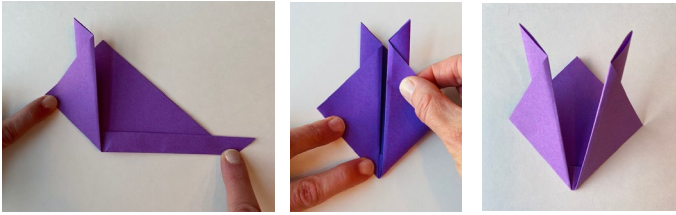

2. Fold the paper in half, from bottom to top, to make a triangle.

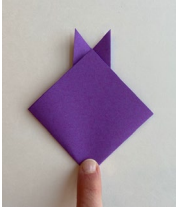

3. Fold the bottom edge of the triangle, about a quarter of the way up. Flatten the surface evenly with your fingers.

- Fold the two bottom corners to the top of the triangle. These will be the bunny's ears.

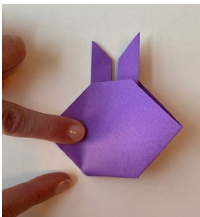

- Turn the paper over.

- Fold the top corner back, to shape the rabbit's head.

- Fold the bottom tip up, to shape the rabbit's chin.

- Using your markers, draw the rabbit's eyes, nose, mouth, and whiskers.

- Give your rabbit a name to complete the craft.
